

ENDS OF THE EARTH PARTNER

JOSE & LEDA VILLALTA

BARRANCA MINISTRIES, INC. IN COSTA RICA

PARTNERS SINCE 2014 CHAMPION: NEEDED

Barranca Ministries is a non-profit organization founded to foster, develop and promote the spreading of the Gospel in Costa Rica. Their mission is to deliver the Word of God to the lost, to connect to those in need, and to show the love of Christ in all they do.

Jose and Leda Villalta minister full-time to the village of Esparzol, located in Puntarenas, Costa Rica. They began planting a church there in 2013 that has taken root in the community. Services started in the middle of the street with a small tent. In February 2015, God provided a small rental building that has since been transformed into a multi-purpose space to house their ministry efforts. Ministries include: a feeding program that serves 200+ children per week, youth programs, weekly Bible clubs for children and teens, teen discipleship programs, a school assistance program, an annual community Christmas outreach event and women's ministry outreaches.
